2. AGENDA

1. Crestline “flats” drainage project options

Mark Simpson-Schoel Engineering

- The study has been completed
- Open channel crosses 4 streets (Spring St, East Street, Honeysuckle, and W. Montcrest)
- Determined the flooding issue is isolated to lower end (W. Montcrest and Honeysuckle)

- The fix would be to replace the culvert at W. Montcrest (The cost would be about \$700,000-\$800,000)
- On W. Montcrest there is a detached building used as an entertainment area, homeowners stated that water has been in that building
- No one has communicated that there has been water in any finished portion of residential homes

Sam Gaston-City Manager

- Many years ago the city put in a drainage pipe, at homeowners expense, for a homeowner that lived on W. Montcrest (next to the channel)
- After the drainage pipe was installed, the homeowner did an extension that included a head wall and a fence (which created a dam)
- A lawsuit was filed among several homeowners and the homeowners was forced to tear out the additions
- The City, at that time, adopted new policies that ditches would not be piped until an engineering study was done to verify the pipe would not make the problem worse and would improve the situation

Billy Pritchard-Council President Pro Tempore

- The problems created by that homeowner several years ago caused several houses to be flooded that lived beside the creek
- Since that incident several years ago, not aware of any houses that has had any water in their house due to flooding

David Nelson-31 Honeysuckle Lane

- Flooding in the ditches has gotten worse
- In the May 4th storm, water was a step away from being in his house
- Concerned the flooding will get worse and his house will flood

Jeremy Dennis-42 W. Montcrest Drive

- Has a detached building in his yard
- Flooding is happening 4 to 5 times a year
- When flooding occurs, has about 6 inches of water in the detached building

Virginia Smith-Council President

- Inquired if cleaning out the channel would have help the flooding on W. Montcrest

Mark Simpson

- It would not change the issue at W. Montcrest
- It would make the channel more efficient throughout the study area
- The price for this project is so large because a full length of culvert is needed
- This project will not solve the problem but it would greatly improve the problem

Billy Pritchard

- Would like to take it under advisement

Graham Smith-Council Member

- Inquired if anything specifically could be done for the homeowners that are affected

Mark Simpson

- Would have to look more closely at the stream
- There are options available

Lloyd Shelton-Council Member

- Want to see if there are alternatives (that would be equally impactful)

Virginia Smith

- Will have engineers study it further

2. Cherry/Lorena/Euclid drainage bid

Mark Simpson-Schoel Engineering

- Went back to Gillespie Construction (the only bidder) to request a reduction in price
- Agreed to a \$25,000 reduction bringing the bid down to \$892,360

Virginia Smith

- Item added to the formal agenda (Resolution No. 2023-036)

3. Proposed contract with The Friends of Jemison Park for improvements to the Jemison Park Nature Trail

Shanda Williams-Parks and Recreation Director

- The Friends of Jemison finished Irondale Furnace
- They want to improve the Nature Trail for when they close Jemison Park, the trails will be in good shape

Virginia Smith-Council President

- Items added to the formal agenda (Resolution No. 2023-037)

4. Leaf Season update

Ronnie Vaughn-Public Works Director

- Took over the loose leaf collection this year
- Did not have any missed leaf collections
- Picked up 7383 piles and brought in 552 loads
- His employees went the extra mile and he is very proud of them

5. Conditional Use request for Stretch Zone located at 229 Country Club Park

Dana Hazen-Director of Planning, Building, and Sustainability

- This is the same location that Magic City Cheer was going to occupy
- 13 surplus parking spaces, will have 10 surplus parking spaces if approved

Virginia Smith

- Item added to the formal agenda (Resolution No. 2023-038)

6. Review of the other matters to be considered at the formal (7:00p.m.) meeting

In no event will the total amount paid to Contractor for its Work (including the Contract Price or any amount paid for Additional Operations) exceed \$50,000.00.

The City will pay the Lump Sum amount of the Contract Price for this Project at the following time. Within ten (10) days following the successful completion of the Project, Contractor will submit to City Project Representative an invoice for the Contract Price (as adjusted by any mutually agreed change orders signed by both parties). With such invoice Contractor shall submit records reasonably supporting its request for payment. Within five (5) days following receipt of that invoice, City Project Representative will review same, consult with Contractor and make any mutually agreed modifications to it, certify that the invoice is due to be paid, and forward that certified invoice to the City Clerk. The City Clerk will remit to the Contractor the amount certified for payment within twenty (20) days after it receives that certification.

6. Warranties of Contractor. The Contractor warrants each of the following with respect to its Work:

Contractor further agrees to maintain that Licensing throughout the performance of the Project;
- (d) that it has inspected the Site and any other locations at which it will perform the Work, and, based on that inspection and its expertise, that it has determined that each of those locations is reasonably suitable for Contractor to complete the Work;

- (e) that the Contractor shall be responsible to remove and properly dispose of any debris related to its completion of the Project, and that it will leave each location where the Work is performed in reasonably clean condition;
- (f) that the Work will be free of any material defects in workmanship and materials for a period of one (1) year that shall commence on the date of acceptance of the Project; and
- (g) that all actions required to be taken by or on behalf of the Contractor to enter or execute this Agreement, and to perform its obligations and agreements hereunder, have been duly taken, and the person signing below on behalf of Contractor is authorized to execute this Agreement.

The certificate shall name City as an additional insured on the Comprehensive General Liability, Automobile Liability, and any applicable umbrella and excess policies.

The City will not furnish any type, form, coverage or amount of insurance in connection with the Project.

(b). Safety. Contractor agrees that it (a) has the sole responsibility to identify any condition or hazard at the Site or other locations on City property that will prevent it from safely performing the Work, and (b) is exclusively responsible for performing the Work in a safe manner that does not put at risk the safety of persons or endanger property. Contractor shall take all reasonable precautions for the safety of, and shall provide all reasonable protection to prevent damage, injury or loss to: (i) its employees and all other persons who may be affected by the Work; (ii) all the Work and all materials and equipment to be incorporated therein, whether in storage on or off the Site, or under the care, custody or control of the Contractor or any of its representatives; and (iii) other property at the Work Site or adjacent thereto.

(c). Indemnification. The City will not indemnify Contractor (or any of its representatives or authorized subcontractors) for any claims that relate to or arise out of the Project.

(d). Limitation of Liability. In no event may Contractor recover from the City any special, incidental, consequential or any other indirect damages whatsoever of any description (including, without limitation, damages for lost profits, lost advantage, lost opportunity, loss of savings or revenues or for increased cost of operations) or amount arising from the City's breach of its obligations hereunder.

8. Project Representative. Each Party shall appoint and indicate on Exhibit A its representative who shall coordinate with the other Party on all matters related to the performance of the Work and the administration of this Agreement (the "Project Representative"). Any notice required hereunder shall be sufficiently given when sent to the appropriate Project Representative via United States certified mail, return receipt requested, or via overnight courier with receipt verification to the address set forth herein, or by personally delivering such notice to the party to be in receipt thereof.

9. Miscellaneous Provisions.

a. Entire Agreement. This Agreement which is comprised of this instrument, the City Scope of Work (if any), and the March 1, 2023 Contractor Proposal (collectively, the "Contract Documents") sets forth the entire understanding between the Parties concerning the matters herein, and all oral representations, prior negotiations, understandings, agreements, conditions, and terms discussed between them prior to

acceptance and signing of this Agreement are deemed to have merged herein. In the event of any conflict or inconsistency between provisions in the various Contract Documents, the provision(s) in the document in the order below shall control and take precedence: (1) this Agreement; (2) the City Scope of Work (if any); and (3) the Contractor Proposal.

b. Counterparts. This Agreement may be executed in counterparts each of which when executed by the Parties shall be deemed to be a complete original. An electronic or facsimile copy of the executed contract or counterpart shall have the same legal force and effect as an original document.

c. No Waiver. Any forbearance or delay on the part of City in enforcing any of its rights under this Agreement shall not be construed as a waiver of such rights. No terms of this Agreement shall be waived unless expressly waived in writing.

d. No Assignment. Contractor may not assign its rights, obligations or the benefits of this Agreement to any third party without the written consent of City, which consent may be withheld for any reason.

e. No Third-Party Beneficiaries. This Agreement is made only for the benefit of the Parties. It is not intended, nor shall it be construed, to grant or bestow any benefit, right or privilege to any third party.

f. Independent Contractor. Contractor is an independent contractor of City. This Agreement does not create any partnership, joint venture or principal-agent relationship between the Parties. Further, City retains no control or authority with respect to its means and methods in which Contractor (or any of its employees or representatives) performs the Work.

g. Immigration Law Compliance. Contractor represents and warrants to the City that: (i) it does not knowingly employ, hire for employment, or continue to employ, in Alabama, an "unauthorized alien," as defined by the Beason-Hammon Alabama Taxpayer and Citizen Protection Act, §31-13-1, *et seq.*, Code of Alabama 1975, as amended (the "Act"); (ii) it will enroll in the E-Verify program prior to performing any work on the Project in Alabama and shall provide documentation establishing that it is enrolled in the E-Verify program. Contractor further represents and warrants that it shall not hire, retain or contract with any subcontractor to work on the Project in Alabama which it knows is not in compliance with the Act; and (iv) by signing this Agreement, it affirms, for the duration of the

Agreement, that it will not violate federal immigration law or knowingly employ, hire for employment, or continue to employ an unauthorized alien within the State of Alabama. Furthermore, if Contractor is found to be in violation of this provision, it shall be deemed in breach of the Agreement and shall be responsible for all damages resulting therefrom.

h. Amendment. Neither this Agreement nor any of the provisions herein (including, without limitation, those concerning the Scope, Project Schedule and Contract Price) may be amended or modified except in accordance with the terms of a written instrument (or change order) signed by both Parties.

j. Delayed Performance/Force Majeure Events. Neither Party shall be liable to the other for any failure to perform its respective obligations (including payment obligations) under this Agreement during any period in which its performance is delayed by circumstances beyond its reasonable control, such as fire, flood, war, embargo, strike, riot, or the intervention of any governmental authority (a "Force Majeure Event"). However, the delayed Party must promptly provide the other with written notice of the Force Majeure Event, the delayed Party's time for performance will be excused only for the duration of that Event, and, if that Event lasts longer than 30 days, then the other Party may immediately terminate, in whole or in part, this Agreement by giving written notice to the delayed Party.

k. Open Trade. Pursuant to *Ala. Code* § 41-16-5 (1975), Contractor represents and agrees that, by entering the Agreement, it is not currently engaged in, nor will it engage in, any boycott of a person or entity based in or doing business with a jurisdiction with which the State of Alabama can enjoy open trade.

l. Applicable Law. This Agreement shall be governed by, enforced, and construed in accordance with, the laws of the State of Alabama (herein the "Applicable Law").

m. Ineffective Provisions in Contractor Documents. Notwithstanding any provisions, terms or conditions expressed in the Contractor Proposal, in any statement of Contractor's general terms and conditions, or in a quotation, invoice, or other writing or document of any form or type that Contractor furnishes the City in connection with this Agreement, the Project, the Work, or a request for payment (collectively, "Contractor Document(s)"), Contractor agrees that the types of provisions, terms, or conditions below that may be expressed in any Contractor Document are ineffective, stricken, overridden, and not enforceable as between the Parties:

:

(i) Indemnification - any provisions that obligate the City to indemnify or hold Contractor (or its affiliates, officials, employees, or sub-contractors) harmless for any damages, costs, losses, fees, expenses, actions, liability, or claims asserted by third parties against Contractor that relate to or arise from the Agreement (hereinafter "Claims"). Notwithstanding the inclusion of such provision in a Contractor Document, Contractor agrees that the City shall not indemnify, hold harmless, or release the Contractor

or any other person, firm, or legal entity for, from, or with respect to any Claims arising out of or relating to the Agreement or the City's performance or nonperformance of its obligations thereunder.

(ii) Late Payment Charges; Fees; Interest – any provisions (1) that obligate the City to pay any charges for penalties, interest, or fees at a rate higher than two-thirds of one percent per month (8% per annum) with respect to delinquent invoices or bills for goods, materials, or services, or (2) stipulating that a bill or invoice shall be considered delinquent if not paid by the City earlier than thirty (30) days after Contractor renders such an invoice or bill.

(iii) Insurance - provisions that obligate the City to purchase or maintain any insurance policy or amount of coverage concerning the transactions contemplated in the Agreement, or to maintain a risk management program. Notwithstanding any such provision in the Agreement, nothing shall preclude the City from purchasing a specific type of insurance requested by Contractor in connection with the transaction contemplated in the Agreement;

(iv) Governing Law – any provisions designating the law of any state, country, territory, or jurisdiction other than Alabama as the applicable or governing law. (vi) Alternative Dispute Resolution - any provisions obligating the City to arbitrate, participate in mandatory mediation proceedings, or engage in other alternate dispute resolution processes to resolve any dispute related to the Agreement. Notwithstanding any such provision in the Agreement, the Parties may agree to participate in non-binding mediation of a dispute to be conducted on terms and conditions that they negotiate;

(viii) Attorney's Fees; Court Costs; Litigation Expenses – any provisions obligating the City or making it responsible or liable for attorney's fees, court costs, litigation expenses, and like charges that may be incurred in

resolving disputes or claims related to the Agreement, except and to the extent such fees, costs, and charges would be assessed against the City under Applicable Law in the absence of any contractual provision imposing or assigning liability therefor; and

(ix) Modification of City's Rights, Remedies & Duties - any provisions that (1) create or impose any duty or liability on the City, or that confer or purport to confer greater rights or remedies on the Contractor than existing under Applicable Law, or (2) modify, limit, reduce, restrict, or waive any rights or remedies that would be available to the City under Applicable Law arising from the performance or operations of Contractor (or of any person, firm, or entity in privity therewith or acting on Contractor's behalf) or their default in performing their obligations under the Agreement. Notwithstanding, nothing herein shall preclude the City and Contractor from agreeing to limit, restrict or cap the amount of compensation or damages that a Party defaulting on its obligations under the Agreement would compensate the non-defaulting Party and that arise from the defaulting Party's breach or failure to perform.

Notwithstanding the inclusion of such provision in a Contractor Document, Contractor agrees that the City shall not indemnify, hold harmless, or release the Contractor

or any other person, firm, or legal entity for, from, or with respect to any Claims arising out of or relating to the Agreement or the City's performance or nonperformance of its obligations thereunder.

(ii) Late Payment Charges; Fees; Interest – any provisions (1) that obligate the City to pay any charges for penalties, interest, or fees at a rate higher than two-thirds of one percent per month (8% per annum) with respect to delinquent invoices or bills for goods, materials, or services, or (2) stipulating that a bill or invoice shall be considered delinquent if not paid by the City earlier than thirty (30) days after Contractor renders such an invoice or bill.

(iii) Insurance - provisions that obligate the City to purchase or maintain any insurance policy or amount of coverage concerning the transactions contemplated in the Agreement, or to maintain a risk management program. Notwithstanding any such provision in the Agreement, nothing shall preclude the City from purchasing a specific type of insurance requested by Contractor in connection with the transaction contemplated in the Agreement;

(iv) Governing Law – any provisions designating the law of any state, country, territory, or jurisdiction other than Alabama as the applicable or governing law. Notwithstanding any such provision in the Agreement, Contractor agrees that the meaning, legal effect, and enforcement of terms and provisions of the Agreement and the resolution of any disputes arising thereunder or relating thereto shall be governed by the laws of the State of Alabama;

(v) Venue – any provision that selects the courts or tribunals in any county, state, or jurisdiction outside Alabama as the place for litigation or resolution of a dispute relating to the Agreement. Notwithstanding any such provision in the Agreement, Contractor agrees the venue of any such suit, action, or legal proceeding brought to enforce or secure relief shall be Jefferson County, Alabama, except to the extent otherwise required by applicable principles of law or if the courts in that County lack jurisdiction;

(vi) Alternative Dispute Resolution - any provisions obligating the City to arbitrate, participate in mandatory mediation proceedings, or engage in other alternate dispute resolution processes to resolve any dispute related to the Agreement. (viii) Attorney's Fees; Court Costs; Litigation Expenses – any provisions obligating the City or making it responsible or liable for attorney's fees, court costs, litigation expenses, and like charges that may be incurred in

resolving disputes or claims related to the Agreement, except and to the extent such fees, costs, and charges would be assessed against the City under Applicable Law in the absence of any contractual provision imposing or assigning liability therefor; and

(ix) Modification of City's Rights, Remedies & Duties - any provisions that (1) create or impose any duty or liability on the City, or that confer or purport to confer greater rights or remedies on the Contractor than existing under Applicable Law, or (2) modify, limit, reduce, restrict, or waive any rights or remedies that would be available to the City under Applicable Law arising from the performance or operations of Contractor (or of any person, firm, or entity in privity therewith or acting on Contractor's behalf) or their default in performing their obligations under the Agreement. Notwithstanding, nothing herein shall preclude the City and Contractor from agreeing to limit, restrict or cap the amount of compensation or damages that a Party defaulting on its obligations under the Agreement would compensate the non-defaulting Party and that arise from the defaulting Party's breach or failure to perform.
