PRE-MEETING AGENDA MOUNTAIN BROOK CITY COUNCIL

CITY COUNCIL CHAMBER (A108) 56 CHURCH STREET MOUNTAIN BROOK, AL 35213

AUGUST 28, 2023 6:30pm

As a matter of convenience, members of the public are invited to listen, observe and participate in public meetings by Internet video conference. Presenters and others interested in a particular matter for discussion are encouraged to attend the meeting inperson. The City is not responsible for technical issues that may occur that interfere with the virtual meeting. The City Council, at its sole discretion, may proceed with its in-person business meeting regardless of whether virtual attendees can hear and/or observe the proceedings. The City intends to make the meeting available by way of the Zoom app (re: Meeting ID 801-559-1126, password 08282023).

- 1. Update on Library repairs-Lindsy Gardner
- 2. Appointment of a City Prosecutor-Billy Pritchard (See attached information. This item may be added to the formal agenda.)
- 3. Review of making Winthrop Avenue "One-Way" during school drop-off and pick-up hours-Chief Loggins (See attached information.)
- 4. Change Order for Jemison Trail project-Joel Eliason with Nimrod Long and Associates (See attached information. This may be added to the formal agenda.)
- 5. Executive Session

CITY OF MOUNTAIN BROOK

P. O. Box 130009 Mountain Brook, Alabama 35213-0009 Telephone: 205.802.2400 www.mtnbrook.org

Memorandum

Date:

August 22, 2023

To:

Mayor/City Council

Subject:

Prosecutor Pay

From:

Heather Richards, City Clerk

A committee was formed to select our next Prosecutor due to Mr. Bramer's retirement. A discussion was had regarding the pay for this position. Mr. Bramer was paid at a rate of \$152.00 an hour (billed around \$55,000 annually). Polling our surrounding jurisdictions for Prosecutor rate of pay yielded the following results:

- -Vestavia Flat rate of \$36,033 annually and \$75 an hour for appeals
- -Trussville \$225 an hour
- -Homewood Flat rate of \$50,000 annually, an hourly rate for appeals (typically bills \$15,000-\$20,000)

The committee expressed an interest in increasing the pay for this position from \$152.00 an hour to \$175.00 an hour. Assuming the new prosecutor bills the same amount of hours, it would be around an \$8,000 increase annually. The FY2022 revenue received for the court totaled \$455,761.40 and the expenses totaled \$327,230.44.

The committee is recommending Ross Self to be appointed to the Prosecutor position for the City of Mountain Brook. It is also the committee's desire to have Andrea Graham substitute for Ross Self should the need ever arises. The committee would also like to recommend Matthew Griffin to fill the vacant position of court appointed attorney that will be vacated by Ross Self upon his appointment to the Prosecutor position.

Winthrop Avenue

We observed conditions on Winthrop Avenue from 2:20 p.m. to 3:25 p.m. on Friday, August 18, 2023 related to after-school pick-up for Mountain Brook Junior High School. Our observations included the number of vehicles parked along Winthrop Avenue waiting to pick up students, the side the vehicles were parked on, and the direction the vehicles were facing. The following table shows the data collected.

Time	# of Vehicles	Side of Winthrop Ave.	Direction of Travel	Notes
2:22 p.m.	1	All on south side	All facing toward school	
2:26 p.m.	0			
2:20 p.m.	0			
2:41 p.m.	0			
2:54 p.m.	3	All on south side	All facing toward school	
2:59 p.m.	3	All on south side	All facing toward school	
3:05 p.m.	5	All on south side	All facing toward school	
3:09 p.m.	5	All on south side	All facing toward school	
3:11 p.m.	9	All on south side	All facing toward school	
3:15 p.m.	10	All on south side	9 facing toward school 1 facing away from school	
3:20 p.m.	12	11 on south side 1 on north side	10 facing toward school 1 facing away from school	Cars beginning to move out
3:25 p.m.	0			

The following series of pictures shows the conditions on Winthrop Avenue at 3:15 p.m.

Throughout the duration of observation there was always a clear lane open on Winthrop Avenue. During the 3;20 p.m. observation, the one vehicle parked on the north side of Winthrop Avenue was parked well past the stack of cars on the south side close to school, as shown in the following picture:

During the 12 trips we made circling the block, we only encountered one vehicle attempting to travel westbound on Winthrop Avenue (away from the school) while we were traveling eastbound (toward the school) and passing the line of parked vehicles.

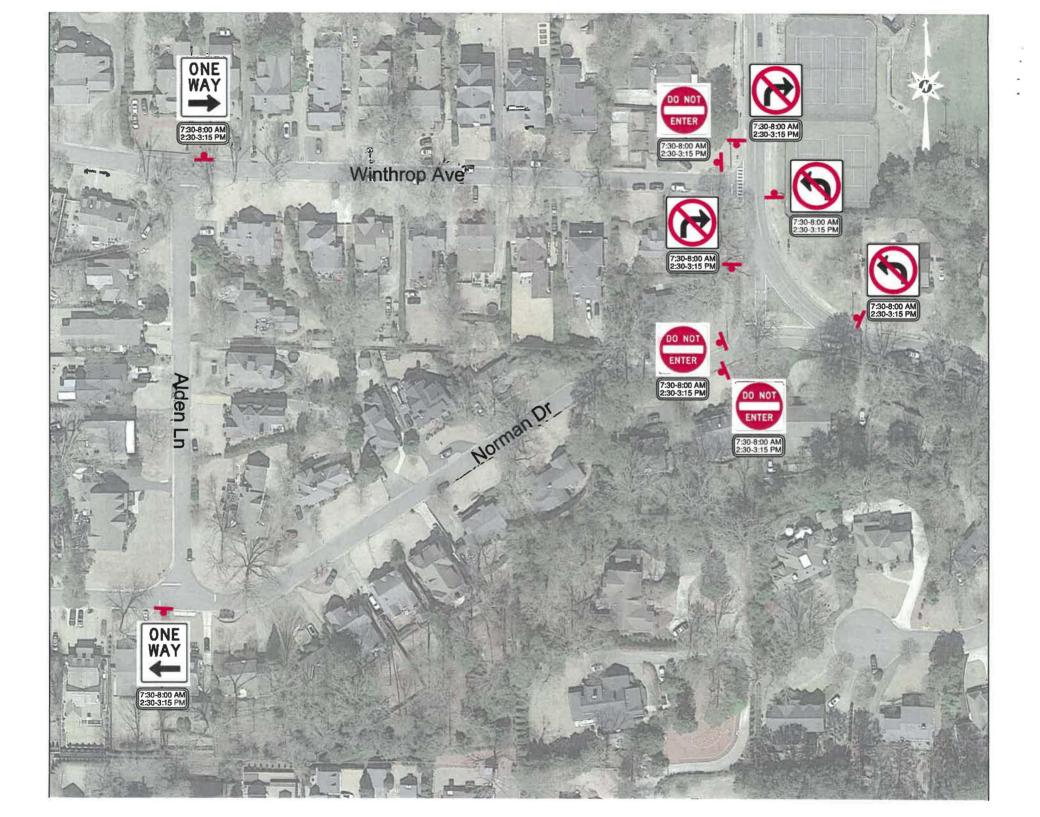

In summary, there is a period of time of approximately 11 minutes when there are enough vehicles parked along Winthrop Avenue where the roadway is effectively narrowed to the point where only one-way traffic is possible. This begins when the queue of parked vehicles extended from 5 vehicles to 9 vehicles. When the queue was 5 vehicles or less, it was possible to successfully navigate two way traffic. However, when the queue extended to 9 vehicles, there was little opportunity for two moving cars to successfully pass each other.

Of far greater concern should be the situation with vehicles parking on Norman Drive. As shown in the pictures below, vehicles were parked on both sides of Norman Drive and it was almost impossible to pass between the parked vehicles. Any vehicle larger than the pickup truck we were driving could not have passed between the parked vehicles.

The situation with afternoon pick-up at MBJH is similar to many other schools in the Mountain Brook system – there is insufficient on-site storage for the pick-up, and this results in queuing of vehicles on the public roadways. If we prohibit parking on one roadway, parents will just relocate to a different part of the public roadway system. However, with the situation on Norman Drive, we should have a further discussion on measures we could implement to encourage all parents to park on one side of the roadway.

Change Order

PROJECT: (Name and address)

Jemison Trail Mountain Brook, AL

OWNER: (Name and address)
The City of Mountain Brook

56 Church Street

Mountain Brook, AL 35213

CONTRACT NFORMATION:

Contract Fo.: General Construction

Date: May 22, 2023

ARCHITECT: (Name and address)
Nimrod Long and Associates, Inc.

880 Montclair Road, Ste 235

Birmingham, AL 35213

CHANGE ORDER INFORMATION:

Change Order Number: 002 Date: August 25, 2023

CONTRACTOR: (Name and address)

C.S. Beatty Construction, Inc.

1 Civitan Place

Birmingham, AL 35213

THE CONTRACT IS CHANGED AS FOLLOWS:

(Insert a detailed description of the change and, if applicable, attach or reference specific exhibits. Also include agreed upon adjustments attributable to executed Construction Change Directives.)

See Exhibit A, attached for a description of Contract Changes.

The original Contract Sum was

The net change by previously authorized Change Orders

The Contract Sum prior to this Change Order was

The Contract Sum will be increased by this Change Order in the amount of

The new Contract Sum including this Change Order will be

The Contract Time will be unchanged by Zero (0) days.

The new date of Substantial Completion will be unchanged.
