I hereby certify that I have read this application and that I agree to comply with all city ordinances and state laws regulating electrical repairs, replacements, and installation. I am the owner/registered cardholder/authorized agent for the work described herein.

I understand that it is my responsibility to call and schedule all inspections, including low voltage. Failure to do so may result in future permit applications being denied.

If the scope and/or nature of the work as listed on the original permit application changes OR if the cost of construction exceeds the amount upon which the permit is based a revised application must be submitted and any additional dues owed must paid. (§109-44i)
