Sec. 129-391. - Purpose.

It is the city's intent to protect the integrity of its residential areas. It is the purpose of this section to permit residences (dwellings and accessory structures used in connection with such dwellings), to be used for certain limited business purposes which are incidental to, and compatible with, the residential use of property in a manner which will protect residential areas from the adverse impact of activities associated with the conduct of businesses and to provide peace, quiet and domestic tranquility within all residential neighborhoods within the city and to protect the residents of the city from excessive noise, excessive traffic, nuisance, fire hazard and other possible effects of commercial activities being conducted in residential areas, provided that the operators of such businesses comply with all applicable laws and ordinances, including, without limitation, the city's business license code.

(Ord. No. 1224, 2-26-96; Ord. No. [1974](#), § 1, 3-27-2017)

Sec. 129-392. - Applications.

Applications for home occupations may be approved by the zoning official providing that all of the following regulations and requirements are satisfied. Should the zoning official determine that the proposed application does not satisfy the intent or requirements of this article, then the application may be appealed to the planning commission for review at the next regularly scheduled meeting.

(Ord. No. [1974](#), § 1, 3-27-2017)

Editor's note— Ord. No. [1974](#), § 1, adopted March 27, 2017, repealed the former § 129-392, and enacted a new § 129-392 as set out herein. The former § 129-392 pertained to uses permitted as home occupations and derived from Ord. No. 1224, adopted February 26, 1996.

Sec. 129-393. - Conditions for use of dwelling or accessory structure for a home occupation.

- (a) The principal use of the dwelling must be as a residence, and the home occupation shall be clearly incidental to said residential use of the dwelling. The home occupation shall not change or adversely affect the essential residential character of the dwelling or the accessory structure, or of any part of the neighborhood or area in which it is located. No home occupation shall be permitted which might interfere with the general welfare of the surrounding residential area due to potential noise, increased pedestrian or vehicular traffic, or any other conditions which would constitute an objectionable use of residentially zoned property.
- (b) No home occupation will be permitted if it causes noise which is excessive, either in degree or length of time, for a residential neighborhood, or which creates glare, obnoxious odors, fumes or vibrations or produces electrical interference detectable to normal sensory perception outside the dwelling or accessory structure.
- (c) No home occupation may be conducted which involves the use or storage of hazardous, dangerous or flammable substances or materials.
- (d) Either a dwelling or an accessory structure located on the same parcel as the dwelling may be used for a home occupation. No more than one accessory structure located on any parcel may be used for a home occupation.

- (j) No home occupation shall be permitted in a dwelling or an accessory structure if such home occupation generates traffic or parking materially in excess of what would be normal for the exclusively residential use of such dwelling.
- (k) Reserved.
- (l) No more than two motor vehicles related to a home occupation shall be parked on the premises of any residence. Such vehicles may not exceed three-quarters ton in load capacity, provided that such vehicles must be parked on a portion of the premises which was paved or otherwise designed as a parking area.

No equipment or motor vehicle of any type related to a home occupation may be parked or left on any public street or on any private street which was constructed in lieu of a public street.
- (n) Deliveries from suppliers to any residence in which a home occupation is operated shall not interfere with normal traffic circulation in the area in which such residence is located. Such deliveries may be made only on Mondays through Saturdays, and only during the day between the hours of 8:00 a.m. and 6:00 p.m.
- (o) The person who is primarily responsible for the conduct of a home occupation must be a full-time resident of the dwelling in which the home occupation is conducted; or, if the home occupation is operated in an accessory structure, said person must be a full-time resident of the dwelling located on the land on which accessory structure is located.
- (p) In addition to the person who is primarily responsible for the conduct of a home occupation, the following may be engaged in such home occupation:
 - (1) Any other person who is a full-time resident of the dwelling; and
 - (2) No more than one person who is not a full-time resident of the dwelling; and

 - b. The aggregate number of hours worked at the residence by any such person as an employee of the home occupation may not exceed 40 hours during any calendar week; and,
 - c. Reserved.
- (q) No sign or other item advertising, giving notice of, or in any way relating to, a home occupation may be placed in the yard of a residence, on the outside of a dwelling or accessory structure, or within a dwelling or accessory structure so as to be visible from outside such dwelling or accessory structure.

- (r) There shall be no visible evidence from the outside of any dwelling or accessory structure in which a home occupation is operated of the conduct or presence of such home occupation.
- (s) Any accessory structure in which a home occupation is conducted must be completely enclosed.
