

Spire/Alagasco Work in Mountain Brook

Spire (formerly Alagasco) will start additional gas line upgrades on October 9, 2017.

Phase 3 will begin on October 9 and conclude late December. Phase 4 will begin January, 2018 and end in late February.

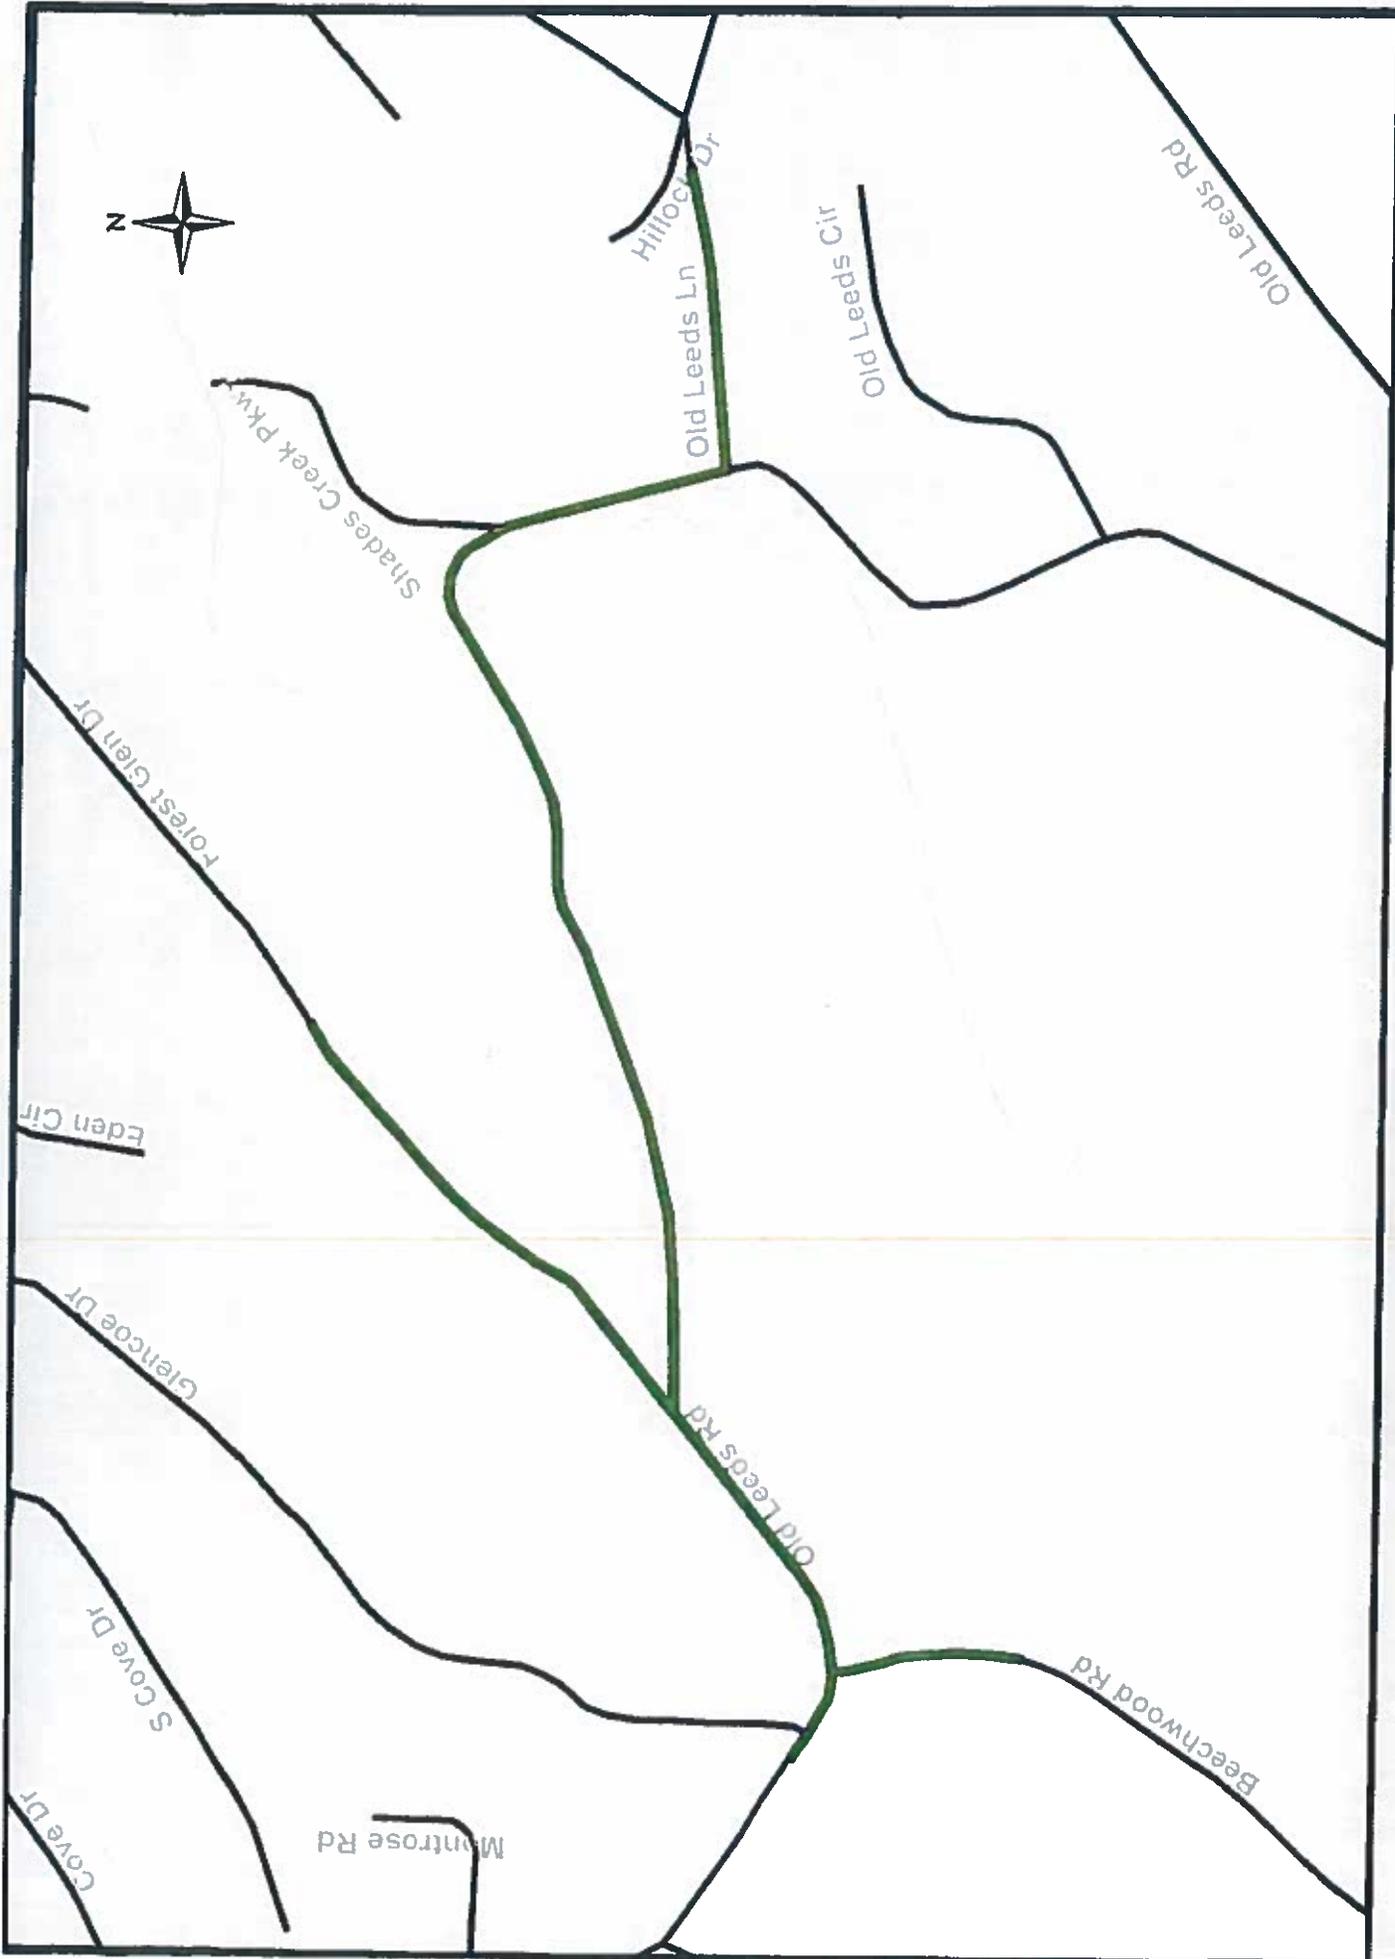

On the major roads of this project, Glencoe and Old Leeds Road, they will start work after 8:30am and conclude by 4:30pm each day. Deputy Sheriffs Officers will be posted at both ends of the work area as one-lane traffic will be in place during the majority of the time.
